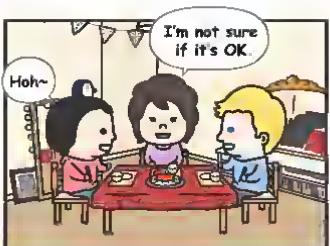
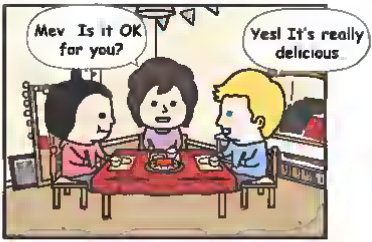
...that I could taste my mom's food.

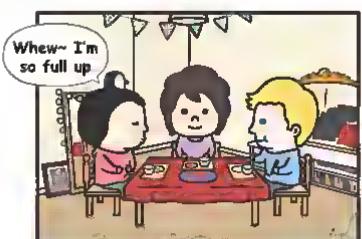
The day after she arrived,
we went to the big Korean supermarket
in the other city.



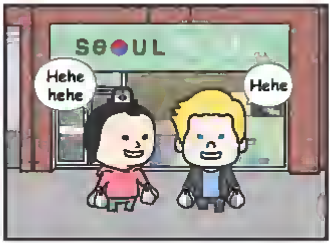
In fact, I hardly eat this food when I'm in Korea but...



The kimchi tofu was very good for Mev that day too.



We emptied our rice bowl very fast.



And we bought many different ingredients so mam could cook for us.

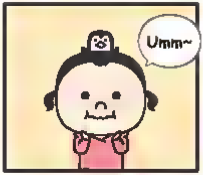
깍깍깍

After we finished the meal,...

... Mev suddenly stood up and...

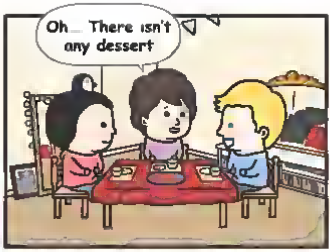
The first food that mom cooked for us was hot and sweet, kimchi tofu.

She started to cook.

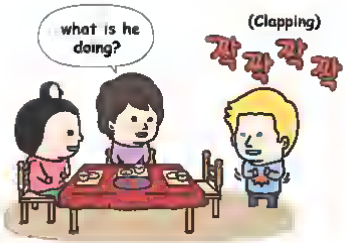


...tasting mom's kimchi tofu
in a different country was
totally different.

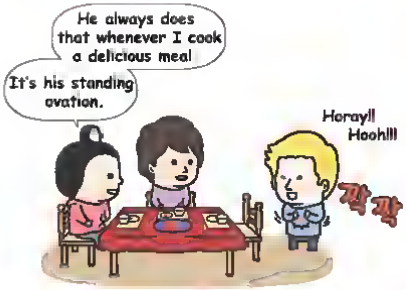
Like she added some magical seasoning,
it made my mouth and my heart
warm and happy.

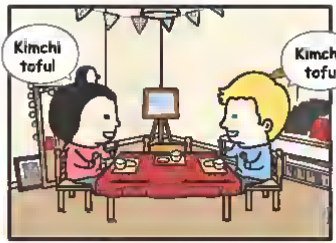


What!?



he gave mom a loud applause





A bit later.

Her delicious looking kimchi tofu was ready

No
dessert

That pleased my mom too.

Mom's Food

One of the exciting things about
my mom visiting us was
